it is performed, or involve the supervision of participants or volunteers whose service provides a direct benefit to the community where it is performed. Moreover, the approved AmeriCorps activities must result in a specific identifiable service or improvement that otherwise would not be provided with existing funds or volunteers and that does not duplicate the routine functions of workers or displace paid employees. Programs must develop service opportunities that are appropriate to the skill levels of participants and that provide a demonstrable, identifiable benefit that is valued by the community.

(b) In certain circumstances, some activities may not provide a direct benefit to the communities in which service is performed. Such activities may include, but are not limited to, clerical work and research. However, a participant may engage in such activities if the performance of the activity is incidental to the participant's provision of service that does provide a direct benefit to the community in which the service is performed.

§ 2520.30 Are there any activities that are prohibited?

Yes. Some activities are prohibited altogether. Although all prohibited activities may be performed voluntarily by participants on their own time, they may not be performed by participants in the course of their duties, at the request of program staff, or in a manner that would associate the activities with the AmeriCorps program or the Corporation. These activities include:

§ 2521.10 Who may apply to receive an AmeriCorps grant?

(a) States (including Territories), subdivisions of States, Indian tribes, public or private nonprofit organizations (including labor organizations), and institutions of higher education are eligible to apply for AmeriCorps grants. However, the fifty States, the District of Columbia and Puerto Rico must first receive Corporation authorization for the use of a State Commission or alternative administrative or transitional entity pursuant to part

2550 of this chapter in order to be eligible for an AmeriCorps grant.

(b) The Corporation may also enter into contracts or cooperative agreements for AmeriCorps assistance with Federal agencies that are Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies may only receive assistance pursuant to a contract or agreement with the central department or agency. The requirements relating to Federal agencies are described in part 2523 of this chapter.

§ 2521.20 What types of AmeriCorps program grants are available for award?

The Corporation may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) *Planning grants.*—(1) *Purpose.* The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) *Eligibility.* (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) *Duration.* A planning grant will be negotiated for a term not to exceed one year.

(b) *Operational grants.*—(1) *Purpose.* The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. (2) *Eligibility.* (i) States may apply directly to the Corporation for operational grants.

(c) *AmeriCorps Educational Awards Only.*—(1) *Purpose.* The purpose of these awards is to provide AmeriCorps educational awards to programs that are not receiving or applying to the Corporation for program assistance but that meet the criteria for approved AmeriCorps positions, and desire to provide an AmeriCorps educational award to participants serving in approved positions.

(2) *Eligibility.* States, subdivisions of States, Indian Tribes, Federal agencies, public or private nonprofit organizations (including labor organizations), and institutions of higher education may apply directly to the Corporation for AmeriCorps educational awards only.

(d) *Replication Grants.* The Corporation may provide assistance for the replication of an existing national service program to another geographical location.

(e) *Training, technical assistance and other special grants.*—(1) *Purpose.* The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.
